THE DECISION:

In the deliberation and discussion the FSC found that the plaintiff impeaching in the unconstitutionality of the two appeal decisions no.(2043/2044/3099/Appeals Commission/2016) issued on 13.1.2016 and Karkuk Appeal Court decision no.(113/Seen/repealed/2016). And the invalidity of the previous Karkuk Governor in withdrawing the real estate's that covered by this the two decisions (994) for year 1985 and (94) for year 1987 and his authorities restricted in decision (42) for year 1986. When reviewing the competences of the FSC stipulated in article (4) of FSC Code no.(30) for year 2005 and article (93) of the Constitution for year 2005 , it was found that the FSC has no competence in supervision the judicial decisions and judgments issued by the Iraqi Courts or amend these decisions or cancel it. Therefore the case lost it legal proof and the FSC decided to reject the case for it is out of the court competence and burden the plaintiff the expenses and the fees of the case. The decision was made unanimous according to article (94) of the Iraqi Constitution and made clear in 5.6.2017.
